What is Rotary?

Rotary International is a volunteer organization of business and professional leaders who provide humanitarian service, and help to build goodwill and peace in the world.

There are approximately 1.2 million Rotary club members belonging to nearly 33,000 Rotary clubs in more than 200 countries and geographical areas.

Founded in Chicago in 1905, Rotary celebrated 100 years of service in 2005.

The Rotary Foundation has awarded more than US\$1.9 billion in grants, which are administered at the local level by Rotary clubs.

The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- First: The development of acquaintance as an opportunity for service;
- Second: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying by each Rotarian of his or her occupation as an opportunity to serve society;
- Third. The application of the ideal of service by every Rotarian to his or her personal, business and community life;
- Fourth. The advancement of international understanding, good will, and peace through a world of fellowship of business and professional people united in the ideal of service.

The Four-Way Test

Of the things we think, say, or do...

Is it the TRUTH?,

Is it FAIR to all concerned?,

Will it build GOOD WILL AND BETTER FRIENDSHIPS?,

Will it be BENEFICIAL to all concerned?
